The Dieppe Fly Tying Club presents the ninth Fly Fishing Forum on March 23rd to 25th, 2012 at the Moncton Coliseum. The principal objective of the Forum is to promote the sport of fly fishing in general and attract underrepresented demographic groups like women and youth to this activity;

while this continues to be our goal, the Forum has become the harbinger of Spring for fly fishing enthusiasts throughout the Maritimes.

This year's Forum will be a 3 days show held at the Moncton Coliseum in partnership with the Sportsmen's Show and the Moncton Boat show. Three big shows under one roof!

We will have a new and bigger Fly casting aisle with a full program with some of the best Canadian fly casting expert!
